

NO CAFFEINE NEEDED!

To Stay Awake at HARMONY CHURCH

. . . but you can have all you want!

What's at Harmony?

- Us – taking *ourselves* a lot less seriously than most churches
- Genuine, down-to-earth people who genuinely care about *you*
- Our live band playing great music
- A church that meets *you* right where *you* are
- A place where you can *be yourself*
- No dress code
- Plenty of coffee – and donuts if you're fast enough
- As much laughter as you're allowed to have in church by law
- Real people who talk about real life in real ways
- A fun, exciting environment for kids
